## Grant Funding Policy

Harwich Town Council has powers to award grants to local organisations to support their activities in the Parish of Harwich and Dovercourt. In doing so, the Town Council is aware of its responsibility for public funds and for the distribution of these funds to be properly managed.

Each year Harwich Town Council allocates a specific amount of funds to be made available as grants to organisations, clubs, societies and groups who help to build a sustainable community and economy for the residents of Harwich and Dovercourt. Grants are restricted to voluntary or non profit making organisations.

**Applications will be welcomed from such organisations, clubs, societies or groups that can demonstrate that their application:**

- Meets an identified need
- Is a benefit to the wider community
- Is a viable project
- Is mainly of benefit to residents of the Parish of Harwich and Dovercourt

**The grant scheme is unable to support:**

- Routine running costs
- Salary or routine administration costs
- Individuals
- Charities operating overseas or to a fund established to help persons outside the UK
- Projects with party political links
- Projects which discriminate on the grounds of race or religion
- Applications to cover costs that have already been incurred
- Services which should be provided by statutory funding

**Awards will not normally be made to:**

- 'branches' that could be funded by their main organisation
- For buildings that are uninsured

### **Applicants should be aware that:**

- Organisations applying to Harwich Town Council should be local but applications from just outside the Town may be considered if the grant is for work of significant benefit to Harwich/Dovercourt and its residents.
- The organisation should have a bank account in its own name.
- All grant aid is subject to Council Officers being satisfied with the accounts and/or financial status of the applicant.
- The Council will give preference to grant requests towards specific projects but, in exceptional circumstances, may consider supporting ongoing revenue costs if an applicant can provide evidence that lack of funds will have an adverse effect on the Town and its residents.
- Organisations will be expected to explore alternative funding opportunities which may exist as well as fund raising for their particular project before applying to the Council.
- The Council may attach special conditions to a grant which must be fulfilled before any payment can be made. Grants may be paid in stages over a period of time as a project progresses and evaluation and monitoring procedures take place.
- Applications from organisations with substantial unallocated resources will not be considered a priority for funding.
- Grants must be spent within one year and restricted to the purpose for which they were given.
- The Council would expect reimbursement of a grant if the organisation to which it has been awarded is dissolved.
- Organisations are generally restricted to one application for grant aid during the financial year 1<sup>st</sup> April to 31<sup>st</sup> March. However, the Council may consider additional applications during the same financial year if surplus grant funding is available.
- The awarding of a grant in one year does not set a precedent for another year.
- Applications from schools, religious groups etc will be considered where a clear benefit to the wider community can be demonstrated.
- Applications from health, education or social services will be considered where there are benefits to the wider community and the project is in addition to statutory services.

## THE APPLICATION PROCESS

Applications for grant aid will be considered by the Finance & General Purposes Committee which meets by-monthly (dates can be found on the website diary). For the application to be considered at the next available meeting all relevant paperwork will need to be submitted to the Town Council a minimum of 14 days prior to that meeting. Any grant applications in excess of £500 which the F&GP Committee resolves to recommend for approval must also be discussed and approved by the full Council.

- Applications must be submitted on the prescribed form which can be downloaded from Harwich Town Council's website or obtained by contacting officers at the Guildhall.
- Along with supporting information, you will be required to submit a copy of the latest set of approved accounts and a copy of the groups Constitution or similar document.
- The Council reserves the right to request a copy of quotations, invoices and other documentation as evidence that the expenditure has been incurred. It would therefore be beneficial if quotations could be included as part of your supporting documentation.
- If your application is not fully completed or is submitted without all relevant supporting documentation it will be returned for completion. Please bear in mind that applications will be reviewed shortly after the deadline dates so any delay caused by incomplete forms may mean that the application will not be considered until the following meeting.
- Organisations will be notified of the outcome of their application as soon as possible after the meeting by letter.

## FOLLOWING A SUCCESSFUL APPLICATION

- Organisations will be required to acknowledge receipt of the grant
- As a condition of receiving a grant, organisations will be required to acknowledge Harwich Town Council's support in their publicity material.
- For our own publicity material, the Council may require photos with agreement from participants and may use the name of the organisation and project.
- All organisations are required to complete a Town Council Monitoring Form to demonstrate how the grant was spent. This form will need to be submitted to the Council within 12 months of the award date.
