NOTICE OF PUBLIC INFORMATION MEETING

at HARWICH GUILDHALL

from 4.30pm to 6pm on Tuesday 17th July

Greater Anglia, your local train operating company, is considering whether to build a new train maintenance facility on Port of Harwich land near Harwich Parkeston Quay.

This is part of their ongoing commitment to introduce new trains to the East Anglian rail network from 2019 that will serve stations in the Harwich area.

Representatives of Greater Anglia are coming to the Guildhall on Tuesday 17th July to outline their potential plans and to answer any questions you may have.

Local residents are warmly invited to come along.
