PARISH COUNCILS CAN NOW WIN FUNDING TO DEVELOP RENEWABLE PROJECTS

From Hayle, Cornwall to Ellingham, Northumberland, parish councils and community groups across England are supporting the future of their communities by investigating renewable energy projects. These range from rooftop mounted solar PV systems, to larger scale networks for heat supply to multiple buildings – and all deliver direct benefit to the community.

THE ON-LINE CHARITY MATCHING PLATFORM THAT IS TRANSFORMING CHARITABLE GIVING

To close the funding-gap, money for good causes has to go further and work harder. There's no time for slow evolution – only a revolutionary approach will drive the much-needed strategic change and proactive transformation of charitable funding. Digital technology that brings multiple grants, donations and fundraising activities together and instantly matches the grant makers and donors that have money to give, with the charities and community groups that need money is where it starts.
