DEMENTIA FRIENDLY COMMUNITIES

A dementia-friendly community is a city, town, or village where people with dementia are understood, respected and supported.

Who can help? Everyone, from local shops and businesses, community groups, schools, churches, and individuals, we all have a part to play in creating communities where people with dementia feel active, engaged and valued.

Age Concern Colchester & North East Essex are leading the Tendring Dementia Action Alliance. To become a member or for more information contact us using the details below:
