	resident, in which the majority of the points were not relevant planning issues but the committee did agree the construction management plan was needed as there was the potential for avoidable disruption to residents. However, since committee's comments, which have been sent to the Planning Inspectorate, remained unchanged, no further action was required.
P106/23	<u>STRENGTHENING PLANNING POLICY FOR BROWNFIELD DEVELOPMENT</u> Members noted a consultation on proposed changes to national planning rules for brownfield sites and chose not to respond.
P107/23	<u>LOCAL PLAN REVIEW – CALL FOR SITES PUBLIC CONSULTATION</u> REF: MIN P096/23 – Members considered an invite for proposals and suggestions for housing and mixed-use developments, commercial development, community-led proposals for community facilities, habitat creation and open space. The chair relayed comments made earlier in the day by Cllrs Morrison and Richardson that requests that any TDC owned open space within their ward (Tollgate) that remains under consideration for development, is retained as open space. Cllrs Fay, Calver and Chable were of the same opinion for their respective wards. Cllr I Henderson suggested the consultation would be looking to receive larger areas of open space, rather than small plots, since there is a need for larger housing developments. After further discussion, it was RESOLVED: to submit the following: Harwich Town Council is not aware of any other potential sites that would be suitable for major development for housing. Furthermore, the council would request that any TDC owned green open space within the parish of Harwich and Dovercourt, that remains under consideration for development under TDC's internal review, is retained as green open space.
P108/23	<u>MATTERS RECEIVED IN THE POST OR RAISED BY MEMBERS</u> None
P109/23	<u>DATE OF NEXT MEETING</u> The next Town Planning meeting is to be held on Thursday 4th April 2024 at The Guildhall, Church Street, Harwich at 6.30pm.
